

AHCCCS “Hot Topics” can help AHCCCS members, their family members, stakeholders, advocates, and community members learn more and interact with Arizona’s Medicaid program.

Join us November 18! Learn about Aligning Enrollment - ALTCS EPD & Medicare Dual Eligible Special Needs Plans with an AHCCCS Eligibility Dashboard overview. The AHCCCS dashboard is published each month to provide details on eligibility outcomes, outreach information, and other data related to the eligibility application process. The dashboard reports on overall Medicaid and CHIP application activity and detailed information, including demographics and application types.
