a. This Notice describes changes to the Arizona Health Care Cost Containment System (AHCCCS) Fee-For-Service (FFS) rates for MSIC to be effective for dates of service on and after January 1, 2025. The AHCCCS Administration is proposing changes to the FFS Rates specified in this Notice to assure that payments are consistent with efficiency, economy, and quality of care and are sufficient to enlist enough providers so that care and services are available at least to the extent that such care and services are available to the general population in the geographic area. The estimated increase in FFS payments as a result of the rate changes is expected to be approximately \$25,300 for the time period of January 1, 2025 through September 30, 2025. More detailed information regarding the fee schedule changes is included below.

For the time period of January 1, 2025 through September 30, 2025 rates will be increased by 5%.
