This Notice of Public Information describes changes to the Arizona Health Care Cost Containment System (AHCCCS) Fee-For-Service (FFS) rates to be effective October 1, 2025. The AHCCCS Administration is proposing additional coverage for the FFS rates specified in this Notice to assure that payments are consistent with efficiency, economy, and quality of care and are sufficient to enlist enough providers so that care and services are available at least to the extent that such care and services are available to the general population in the geographic area. The estimated increase in FFS payments as a result of the additional coverage is expected to be approximately \$253,000 for the time period of October 1, 2025 through September 30, 2026.

AHCCCS has added coverage for Traditional Healing effective 10/1/2025. Traditional Healing (TH) services for AHCCCS members who are not American Indian or Alaska Native (AI/AN) shall be reimbursed at the rate below only when the services have been provided by an IHS/638 Tribal facility. Services covered for AHCCCS members for American Indian or Alaska Native (AI/AN) that are provided by an IHS/638 Tribal facility are reimbursed at the AIR (All Inclusive Rate).
