Division Project Manager and SMAC Liaison

SMAC Extension Letters

- SMAC extension letters will be sent out within the next week.
- SMAC extension letters are sent out every two years in alignment with the bylaws language found here:
 - "A term of appointment to the SMAC shall last for two years from the date of appointment and no member shall serve more than three consecutive terms. After serving as a member for three consecutive terms, a member may be appointed again after a waiting period of 24 months."
- SMAC members can serve up to 6 consecutive years, if applicable. At each two year mark, an extension letter is sent as a check-in to make sure that the SMAC member is still interested and available to serve.
- There are a few members who will be coming up to their term limits (6 total years) in 2024 and that information will be noted within the extension letters.
