

The new APEP Data Entry Guide is now available

The current online paper application was replaced with the new APEP data entry guide. This guide has a similar look as an application, but it is intended to help providers or their credentialists gather the information needed to complete and submit an application in APEP. As a reminder, paper applications are not accepted.

Who Is Impacted?

- All providers

What Is Changing?

Effective July 7, 2025, the existing link to the paper application on the [APEP website](#) was replaced by a link to the APEP data entry guide.

Action Required

- No action is needed.

The data entry guide is a resource that will be available to help you collect the information needed for completing and submitting enrollment applications in APEP.
