

AHCCCS Efforts to Address the Opioid Epidemic – Update

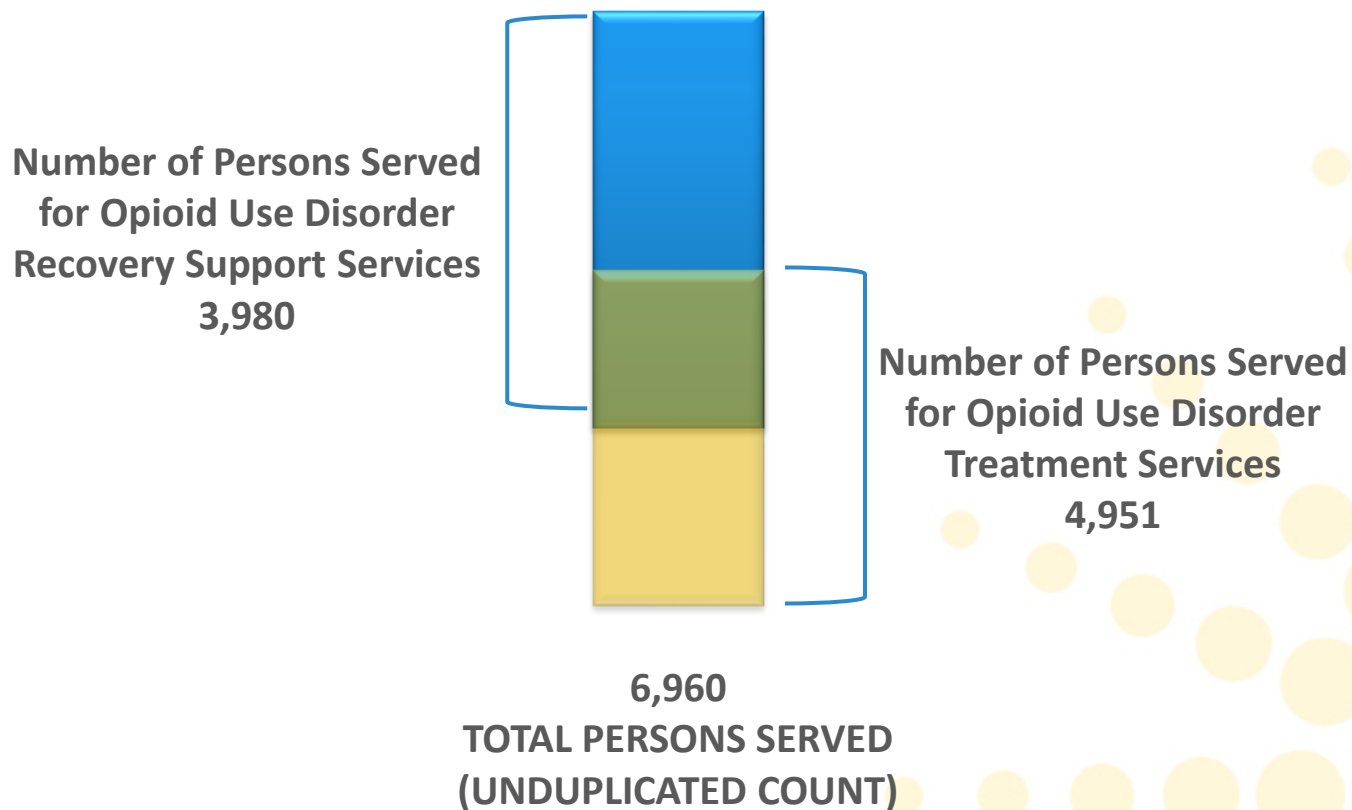

Opioid State Targeted Response (STR)

- **Funding Period:** 5/1/17 to 4/30/19 (2 Years)
- **Amount:** \$12,171,518 per year
- **Status:** Award Granted
- **Area served:** All Regions
- **Population of focus:** At minimum; individuals with an OUD living in rural and underserved urban areas; individuals with OUD being released from correctional settings; pregnant and parenting women with OUDs; young adults ages 18-25 years; and older adults ages 55 years and older.

Opioid STR Program Activities

1. Prescriber training reflecting opioid legislation
2. Community-based education and awareness through coalitions
3. Increasing accessibility of MAT (OTP, Med Units, Center of Excellence (COE), Project ECHO for Pregnant and Post-Partum women (PPW))
4. Increasing the number of hospitals and EDs coordinating with Opioid STR providers for discharge planning and navigation to treatment and resources
5. Expansion and implementation of recovery supports – Oxford House Model for Pregnant and Post-Partum women and their children.
6. Implementation of “street-based outreach” model

Total Number of Persons Served (Unduplicated Count), Arizona Opioid State Targeted Response (STR) Grant Year Two, May 1, 2018 – September 30, 2018

State Opioid Response (SOR)

- **Funding Period:** 9/30/18 – 9/29/20 (2 years)
- **Amount:** \$20,269,303 per year
- **Status:** Award Granted
- **Area served:** All Regions
- **Population of Focus:** Individuals re-entering the community from correctional settings; individuals in rural and isolated areas; individuals experiencing homelessness; tribal populations; veterans, military service members and military families; pregnant women and parents with OUD; and individuals who have experienced trauma, toxic stress or adverse childhood experiences (ACEs).

SOR Program Activities

1. Sustaining and Enhancing Naloxone Distribution;
2. Increasing Localized Community Opioid Prevention Efforts;
3. Expanding Trauma-Informed Care Prevention, Treatment and Recovery Efforts;
4. Expanding Navigation and Access to MAT through 24/7 access points (Medication Units, New OTPs and extending operating hours for OTPs);
5. Expanding access to recovery support services (i.e. housing, peer supports, job assistance and supportive recovery programming) and
6. Increasing public access to real-time prevention, treatment and recovery resources “no-wrong door”

SOR Program Activities, proposed

1. Co-located outpatient OB-GYN clinic inside of a 24/7 OTP
2. Expansion of a OTP in the West Valley into a COE that will provide MAT services 24 hours a day, 7 days a week
3. Satellite program in the developing “hotspot” of Buckeye
4. Expansion of the capacity for residential treatment services for members with OUD in Mohave County

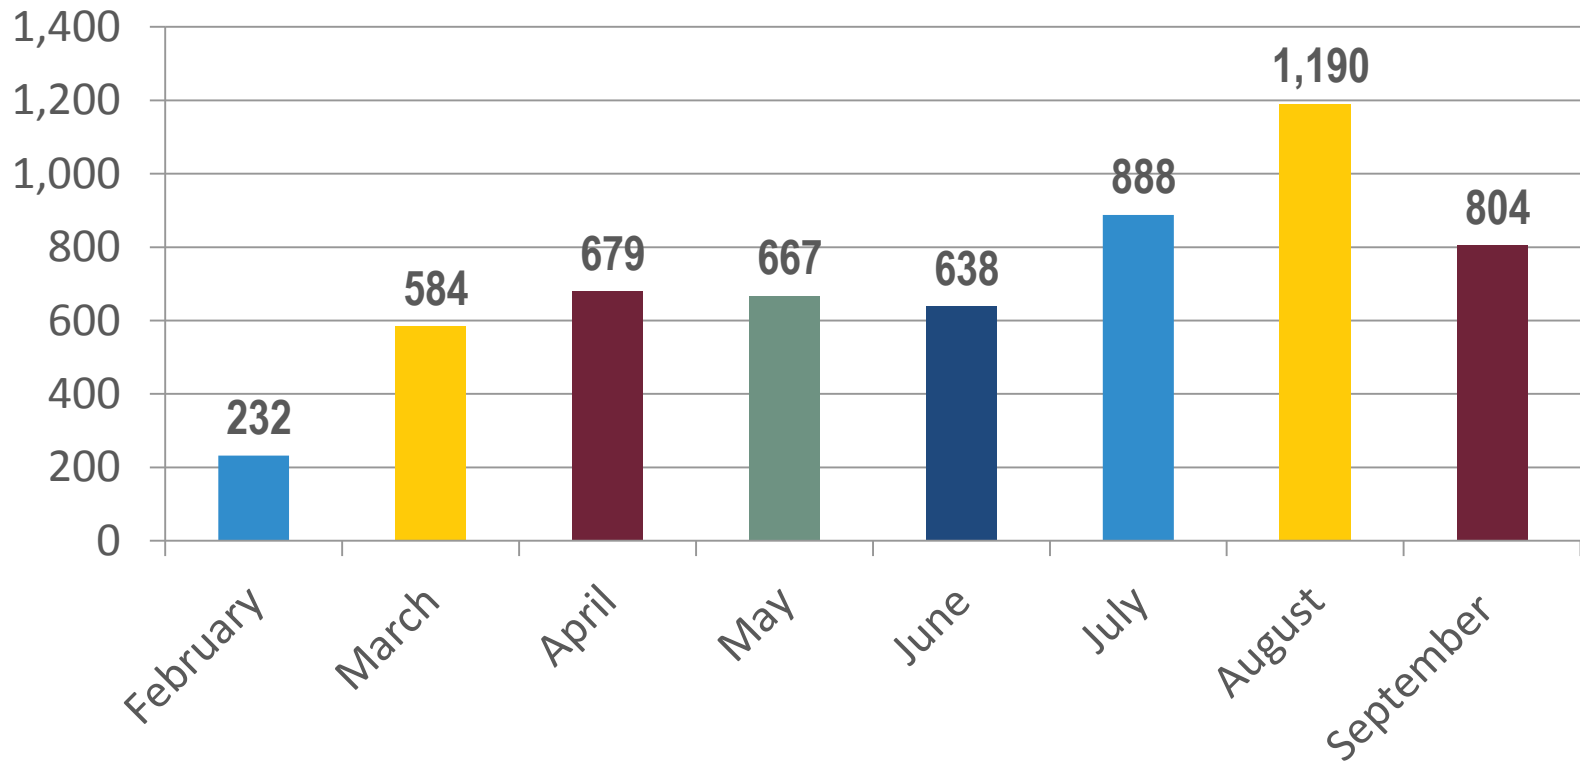

Arizona Opioid Epidemic Act: \$10M Substance Use Disorder Services Fund

Funds are to be used for direct services

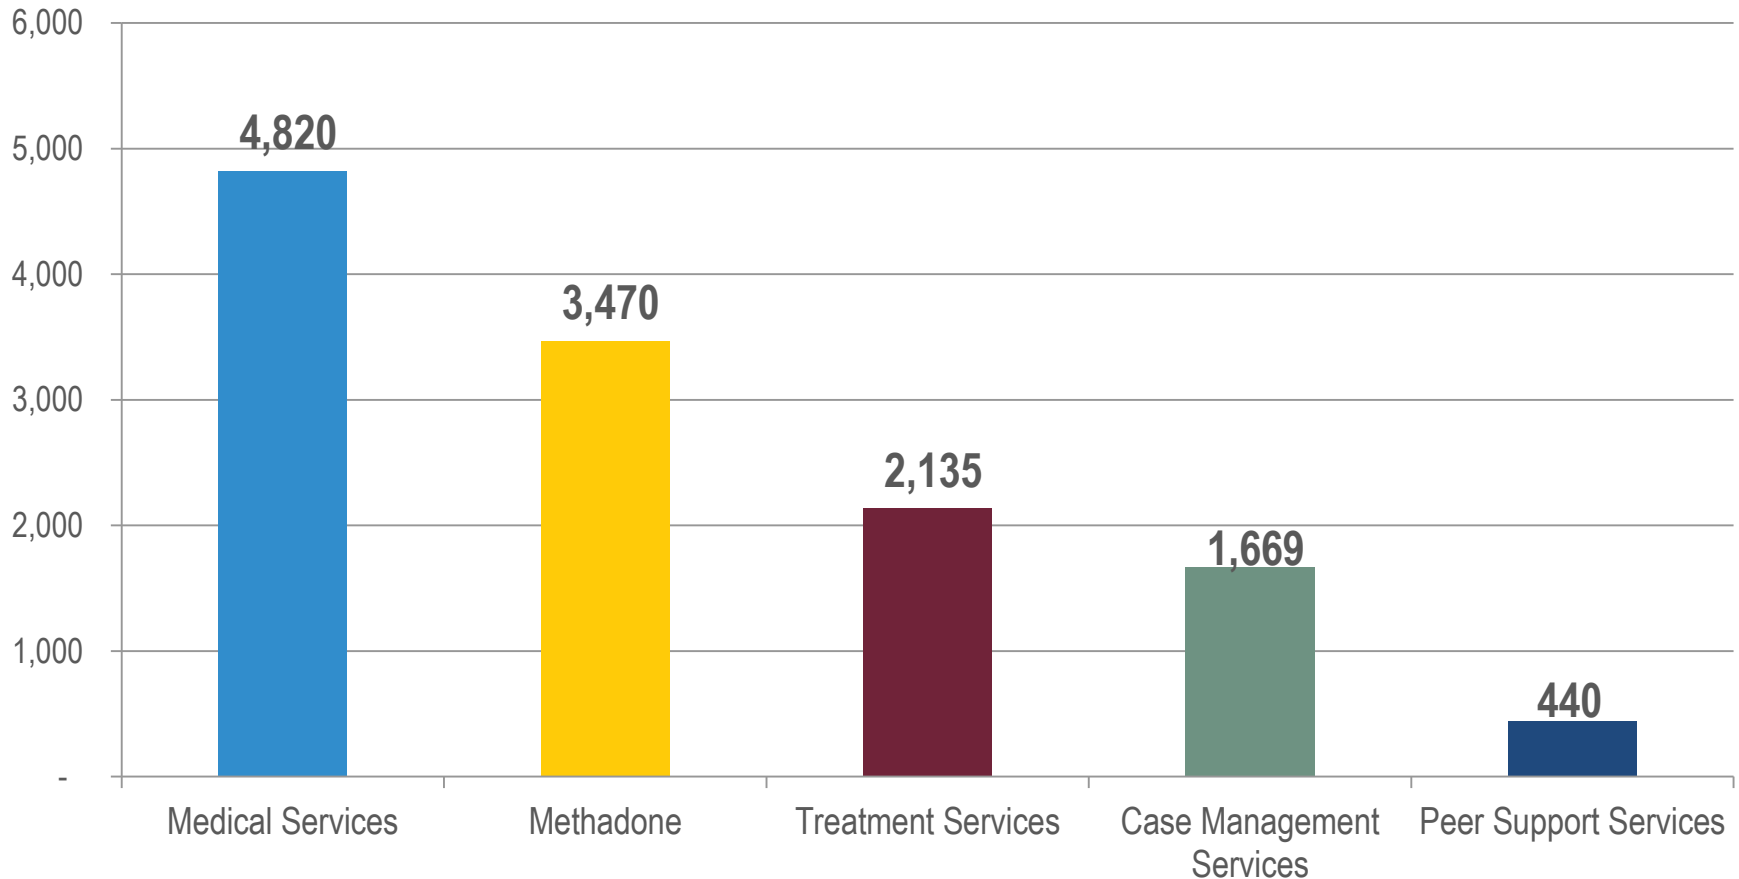

1. Increase outreach and identification of under and uninsured individuals with OUD
2. Increase navigation to OUD treatment
3. Increase utilization of OUD treatment services

Number of Individuals Served, Governor's Substance Use Disorder Services (GO SUDS) Fund, February 1, 2018 – September 30, 2018

5,713
TOTAL PERSONS SERVED

Top 5 Services, GO SUDS Fund, February 1, 2018 – September 30, 2018

Full Continuum of Care
