DATE: January 13, 2021

SUBJECT: 2021 Telehealth Combined Spreadsheet (GT, GQ, UD, POS 02)

Medical Coding Manager

UPDATED TELEHEALTH CODE SET:

Table 1 AHCCCS Telephonic Temporary and Table II AHCCCS Telephonic Code documents have been combined with the Telehealth Code set. The Telehealth Code set is located under the Reference Extracts drop down box.

If you have saved these document they have been updated for 1/1/2021 only on the Combined Telehealth Code set.

The telehealth combined list will look like this, any past versions you have saved will not reflect all the changes for 1/1/2021.

	TELEHEALTH CODE SET WITH PLACE OF SERVICE					
	* AHCCCS Requires the POS where member is located per policy. See Tab 1					
CODE	DESCRIPTION	GT	GQ	UD Temporary Telephonic	POS 02 Permanent Telephonic	Places of Service in PMMIS

This code set is located under the Reference Exctracts on the Medical Coding Resources Page.

Make sure you are using this combined telehealth excel file for all your telehealth changes effective 1/1/2021. Changes can be located on the Revisions tab on the telehealth document.

You will follow AHCCCS policy and coding guidance including the use of the modifiers for all services.
