

Crosswalk from the Service Matrix to the Capitation Calculation for Rates to the Financial Reporting Information

This section provides a mapping from the Service Matrix, to the Capitation Calculation for Rates (CCFR), to the financial reporting information. This should aid you in the submission of the bid. For more detailed information on the Service Matrix see section D, Service Matrix/Selection Criteria. For more information on the Capitation Calculation for Rates see section F, Bid Submission Information. The Financial Reporting Guide for 2009 can be found on the AHCCCS website. The Financial Reporting Guide is subject to minor modifications prior to October 1, 2008.
