Re: RFP# YH12-0001, ALTCS
Proprietary Information Request

Dear Mr. Allen:

A portion of your proposal is marked "proprietary" beginning on page 664 through page 723 (Initial Network Plan). In accordance with the RFP's "Instructions to Offerors," page 150, regarding proprietary requests, AHCCCS has determined that this information is not proprietary.

If you disagree with this determination, you may email Jamey Schultz at Jamey.Schultz@azahcccs.gov, by May 16, 2011, a detailed statement that identifies those specific areas you consider proprietary and state the harm or prejudice which may arise if this information is disclosed. AHCCCS will then make a final determination on your request before releasing the information for public review.

Sincerely,

Michael Veit
Chief Procurement Officer
