

NARRATIVE B3 RANKING AND CONSENSUS RATIONALE				
<p>Narrative B3- Describe how the Offeror will use the limited Non-Title XIX/XXI funding to maximize the timely provision of quality services to members. At minimum, the Offeror's response shall address each of the following:</p> <p>a. All sources of Non-Title XIX/XXI funding that the Offeror will be allocated (e.g., Grant, Federal, General Fund, County Local),</p> <p>b. The Offeror's process for the prioritization and delivery of services,</p> <p>c. How the Offeror will encourage and further enable and assist Non-Title XIX/XXI members to become Title XIX/XXI eligible, and</p> <p>d. How the Offeror will timely coordinate provision of Non-Title XIX/XXI services that have been referred or recommended by all other AHCCCS Managed Care Organizations (MCOs). (3-page limit)</p>				
<p>Submission Evaluation Considerations:  <b>Comprehensive response</b>  <b>Strategies that add/maximize value</b>  <b>Other notable considerations</b></p>				
MOLINA COMPLETE CARE	MERCY CARE (MC)	BANNER UNIVERSITY FAMILY CARE (BUFC)	HEALTH CHOICE (HC)	ARIZONA COMPLETE HEALTH (AZCH)/CARELIST (CF)
RATIONALE AND MAJOR OBSERVATIONS				
Offeror generally identified and discussed non-Title XIX/XXI fund sources but did not fully describe how specific fund sources would be allocated to support targeted programs/populations	Offeror identified and discussed non-Title XIX/XXI fund sources and identified how distinct fund sources would be used to support specific initiatives and populations	Offeror identified and discussed non-Title XIX/XXI fund sources (and how specific fund sources would be used), but did not clearly demonstrate an understanding of Non-Title XIX/XXI funding	Offeror identified and discussed non-Title XIX/XXI fund sources (including the Housing Trust Fund) and provided examples of how fund sources would be used to support specific populations	Offeror identified and discussed non-Title XIX/XXI fund sources (including the Housing Trust Fund) and described how fund sources align with specific initiatives and populations
Offeror fully described its process for prioritization and delivery of services, including specific approaches for identifying needs and mechanisms for monitoring performance	Offeror described its process for prioritization and delivery of services, including specific approaches for identifying needs and mechanisms for monitoring performance	Offeror generally described its process for prioritization and delivery of services, including specific approaches for identifying needs and mechanisms for monitoring performance but did not fully describe how fund sources would be used to support Title XIX members	Offeror described its process for prioritization and delivery of services, including specific approaches for identifying needs and mechanisms for monitoring performance	Offeror described its process for prioritization and delivery of services, including specific approaches for identifying needs and mechanisms for monitoring performance, including a process for alerting providers if funds are being under/over-utilized.
