May 21, 2025

Reinsurance for High-Cost Specialty Drugs Aqneursa and Miplyffa will not be reimbursed for the same member effective 05/01/2025

The use of both Miplyffa and Aqneursa concomitantly is not reinsured due to lack of evidence to support the use of both products at the same time and the lack of a Miplyffa and Aqneursa head-to-head study.
