

Provider Registration (Enrollment) Update

Automated Online Provider Enrollment System to Launch in 2019

In 2019, the AHCCCS provider enrollment process will move from a manual, paper-based system to a new, online system process that will allow providers to:

- Enroll as an AHCCCS provider;
- Update information (such as phone and addresses);
- Upload and/or update licenses and certifications;
- And more, all online and in real time!

This change, from a 100% manual process to the new, automated system will streamline the provider enrollment process. Initial applications will be processed more quickly and changes to current enrolled providers will all be completed online.

The new system is anticipated to go live in the fall of 2019. Additional information will be released closer to the implementation date.
