Just wanted to let everyone know that AHCCCS has registered the first TNC (Transporation Network Company) provider as noted below. Please ensure that if you choose to utilize this provider for NEMT that the policy specific to the Provider type is followed (see link below). Failure to follow the policy will result in Encounter pends.

Any questions let us know. Thanks!

PROVIDER NUMBER: 518534 CLARA RIDES, INC (LYFT)
