Bridgeway Health Solutions is in support of the AHCCCS proposal to extend the ALTCS Program for an additional period of 12 months. As an ALTCS Contractor, Bridgeway believes it is in the best interest of the population we serve to extend the ALTCS program for one year to allow AHCCCS to effectively address the existing variables associated with the Arizona 1115 waiver, new Medicaid Managed Care Regulations, and Dual Eligible Special Needs Plan requirements. Bridgeway is committed to the provision of high quality, cost effective health care services for the LTC population and believes that the additional time requested by AHCCCS for procurement will benefit the program overall.

Thank you for the opportunity to comment on this.
