SUBJECT: Final Results of Sanctionable Pended Encounters June 2025

Dear Ms. Andrade:

This attached information will provide the final aged, pending encounter sanctions for the quarter ending June 2025. According to the Contract (YH19-0001-07), Molina (MCC) is required to resolve all pending encounters within 120 calendar days of the processing date. If this requirement is not met, the Contractor is subject to sanctions.

The exception to the above is when the pending encounter is due to an Arizona Health Care Cost Containment System (AHCCCS) error. AHCCCS error is defined as a pended encounter, which AHCCCS acknowledges to be the result of its own error, and requires a change to the system programming, an update to the database reference table, or further research by AHCCCS. Contractors must notify AHCCCS, in writing, that the resolution of a pended encounter depends on AHCCCS instead of the Contractor. Pended encounters do not qualify as AHCCCS error if AHCCCS reviews the Contractor's notification and asks the Contractor to research the issue and provide additional substantiating documentation, or if AHCCCS disagrees with the Contractor's claims of AHCCCS error.

The final sanction number pending for this quarter is zero (0). There is no sanction for June 2025.
