To: "care1st-azchmerger@azahcccs.gov" <care1st-azchmerger@azahcccs.gov>

To Whom It May Concern:

The current model of Care 1st and AzCH-CCP operating two separate Medicaid brands in Arizona is extremely confusing for u a provider It' al o confu ing for plan member and community member Merging would allow for treamlining of communication and operations. We're supportive of the merger for pne Medicaid plan, operating as AzCH CCP in all counties of Arizona.

Thank you,

Janelle Linn

Health Director

Navajo County Public Health
