ORGANIZATION USER APPLICATION FOR ACCESS TO STATE OF ARIZONA HEALTH-E-ARIZONA PLUS

SECURITY REQUIREMENTS FOR USERS OF THE STATE OF ARIZONA HEALTH-E-ARIZONA PLUS

The State of Arizona Health-e-Arizona Plus system contains sensitive information to carry out its mission. Sensitive information is any information, which the loss, misuse, or unauthorized access to, or modification of could adversely affect the privacy to which individuals are entitled. Arizona records all access to its computer systems and conducts routine reviews for unauthorized access to and/or illegal activity.

Anyone with access to the State of Arizona's Health-e-Arizona Plus system containing sensitive information must abide by the following:

- **Do not disclose or lend your IDENTIFICATION NUMBER AND/OR PASSWORD to someone else. They are for your use only and serve as your electronic signature. This means that you may be held responsible for the consequences of unauthorized or illegal transactions.**
- **Do not browse or use Arizona data files for unauthorized or illegal purposes.**
- **Do not use Arizona data files for private gain or to misrepresent yourself or Arizona.**
- **Do not make any disclosure of Arizona data that is not specifically authorized.**
- **Do not duplicate Arizona data files, create sub-files of such records, remove or transmit data unless you have been specifically authorized to do so.**
- **Do not change, delete, or otherwise alter Arizona data files unless you have been specifically authorized to do so.**
- **Do not make copies of data files, with identifiable data, or data that would allow individual identities to be deduced unless you have been specifically authorized to do so.**
- **Do not intentionally cause corruption or disruption of Arizona data files.**
- **Complete Annual HEAplus Security Training.**

A violation of these security requirements could result in termination of systems access privileges and/or disciplinary/ adverse action, depending upon the seriousness of the offense. In addition, Federal, State, and/or local laws may provide criminal penalties for any person illegally accessing or using a Government-owned or operated computer system illegally.

If you become aware of any violation of these security requirements or suspect that your identification number or password may have been used by someone else, immediately report that information.
