

# How to Use the AHCCCS Online Provider Portal to Verify Member Eligibility and Enrollment

Fall 2020

**These materials are designed for the AHCCCS Fee-For-Service programs, including the American Indian Health Program (AIHP), Tribal Regional Behavioral Health Authority (TRBHA) and Tribal Arizona Long Term Care Services (ALTCS).**

# AHCCCS Health Plan Options

AHCCCS contracts with several health plans to provide covered services. An AHCCCS health plan works like a Health Maintenance Organization (HMO). The health plan works with doctors, hospitals, pharmacies, specialists, etc. to provide care. A member can choose a health plan that covers their zip code area.

- AHCCCS Health Plans are called AHCCCS Complete Care (ACC) Health Plans. These are managed by private insurance payers that have been contracted as a Medicaid payer. ACC programs may have different rules regarding covered services, billing and policies.
- A list of available ACC Health Plans can be found on the AHCCCS website at: <https://www.azahcccs.gov/Members/ProgramsAndCoveredServices/availablehealthplans.html>

Additionally, there are Fee-for-Service Health Plans, managed by the Division of Fee-for-Service Management (DFSM), such as the American Indian Health Program (AIHP).

# AHCCCS Health Plan Options

American Indians and Alaskan Native (AI/AN) members enrolled in AHCCCS or the Children's Health Insurance Program (KidsCare) have the option to choose a health plan and may enroll in either:

1. The AHCCCS American Indian Health Program (AIHP); or
2. The AHCCCS Complete Care (ACC) Health Plan of their choice.
  - A list of ACC plans can be found on the AHCCCS website at:

<https://www.azahcccs.gov/Members/ProgramsAndCoveredServices/availablehealthplans.html>

# Why is it important to verify a member's enrollment?

It is vital to verify a member's enrollment *accurately*, to ensure the following:

- That a claim is submitted to the **correct** health plan.
  - i.e. While AHCCCS' Division of Fee-for-Service Management (DFSM) processes claims for members enrolled in a Fee-for-Service (FFS) program, such as the American Indian Health Program (AIHP), Tribal ALTCS, or a TRBHA, it does not process claims for members enrolled in an ACC Health Plan.
  - If a claim for a member enrolled in an ACC Health Plan is sent to AHCCCS DFSM, the claim will deny. Verifying a member's enrollment accurately, allows a provider to know where to submit the claim.

# Why is it important to verify a member's enrollment?

Continued...

It is vital to verify a member's enrollment *accurately*, to ensure the following:

- That you, as the provider, are following the appropriate rules and regulations , such as prior authorization requirements, of the member's enrolled health plan.
  - i.e. Prior Authorization requirements may vary amongst AHCCCS Complete Care (ACC) Health Plans, and these may be different from the Prior Authorization requirements for members enrolled in an AHCCCS FFS Health Plan, such as AIHP.

# Why is it important to verify a member's enrollment?

It is vital to verify a member's enrollment *accurately*, prior to each visit, since some AHCCCS members qualify to change their health plan of enrollment at any time.

- This means that a member's enrollment may change from one visit to the next, even if you have seen and provided services to the member recently.

American Indian AHCCCS or KidsCare members can switch their enrollment between AHCCCS American Indian Health Program (AIHP) and an AHCCCS Complete Care (ACC) Health Plan (a managed health care plan) and back again at any time.

- However, an AI/AN member can only change from one managed health care plan to another (for example, Mercy Care Plan to Magellan Complete Health) only once a year.

# Provider Responsibility and Available Options for Verifying Member Eligibility

# Fee-For-Service Member Enrollment Verification

There are many programs that individuals may qualify for to receive medical and or behavioral health services including ALTCS coverage.

Effective dates of eligibility can only be verified through the AHCCCS system and may change as updates are added.

Eligibility categories also may change or be overridden by other eligibility categories.

# Fee-for-Service Member Enrollment and Eligibility

Health care providers are responsible for verifying the eligibility of a member:

1. Each time the member schedules an appointment, *and*
2. At the time when any physical or behavioral health service is provided.

Health care providers must verify the member's eligibility and enrollment status, including when a member presents an AHCCCS ID card or a decision letter from an eligibility agency.

# Fee-for-Service Member Enrollment and Eligibility

Health care providers may use any one of several verification processes to obtain eligibility and enrollment information for a Medicaid member, including any information regarding their Medicare or Third Party Payer Liability (if available).

# AHCCCS Online Provider Portal

# How to Access the AHCCCS Online Provider Portal

There are two ways to access the AHCCCS Online Provider Portal:

1. Main AHCCCS website [www.azahcccs.gov](http://www.azahcccs.gov)

2. URL <https://azweb.statemedicaid.us>

- If a provider does not have an online account, you can register by clicking on the above link. Under the heading “New Account” click on **Register for an AHCCCS Online Account** and follow the instructions to submit a request.

# Main Page

**Step 1:** Sign In. The user must have a valid Username and Password.

**Step 2:** On the Main Page, select *Member Verification*

The screenshot displays the AHCCCS Main Page interface. At the top, there is a navigation bar with links for 'Main | FAQ | Terms Of Use | LogOut |'. Below this is a 'Menu' section with a list of options: 'AIMH Services Program', 'Claim Status', 'Claims Submission', 'EET Enrollment', 'Member Verification', 'Newborn Notification', 'Prior Authorization Inquiry', 'Prior Authorization Submission', 'Provider Verification', 'Targeted Investments Program', and 'Members Supplemental Data'. The 'Member Verification' option is highlighted with a red rectangular box, and a blue arrow points to it from the right. Below the menu is a 'Support and Manuals' section with a link to 'AHCCCS Online User Manuals'. The main content area of the page is titled 'Main Page' and contains a security warning: '▲ For security purposes, your session will be logged out after 15 minutes of inactivity. ▲' followed by the text 'AHCCCS Online is an AHCCCS website designed for registered providers. It offers the convenience and efficiency of several online services.' Below this, there are three sections: 'AIMH SERVICES PROGRAM' with a description of services and a link to 'AIMH Home'; 'CLAIM STATUS' with a description of how to check claim status and a link to 'Health Plan Listing'; and 'CLAIM SUBMISSION' with a description of the claim submission process and processing times.

# Member Verification Page

**Step 3:** Select whether you are looking for a “Recipient” (an AHCCCS member) or a “Newborn”.

**Step 4:** Select your search criteria under ***Search By***. AHCCCS recommends using the AHCCCS ID and Date of Birth as shown on the next screen.

**Step 5:** Under ***Search Fields*** that criteria you selected under the ***Search By*** section will self-populate. (i.e. if you select AHCCCS ID and Date of Birth, fields for the AHCCCS ID and Date of Birth will populate under the ***Search Fields*** section)

- Enter the information requested here.

**Step 6:** ***Date of Service*** – Make sure to enter the ***Date of Service*** that a member is receiving an AHCCCS covered service on. Since member eligibility changes from time-to-time, this ensures that you are seeing the correct eligibility on the correct date.

- If a date is not provided, it will tell you the member eligibility for the date you are conducting the search on.

# Third Party Liability

**“Third-party”** means a person, entity or program that is, or may be, liable to pay all or part of the medical cost of injury, disease, or disability of an applicant or member.

**“Third-party liability”** means any individual, entity, or program that is or may be liable to pay all or part of the expenditures for medical assistance furnished to a member under a state plan.”

***\*\*AHCCCS Medicaid is the “payer of last resort”, unless specifically prohibited by State or Federal law.***

# Third Party Liability

AHCCCS Medicaid is the “payer of last resort”, unless specifically prohibited by State or Federal law. This means AHCCCS shall be used as a source of payment for covered services only after all other sources of payment have been exhausted per A.R.S. §36-2946.

Per R9-22-1002, AHCCCS is not the payer of last resort (AHCCCS will be the primary payer) when the following entities are the third-party:

1. The payer is Indian Health Services contract health (IHS/638 tribal plan); or
2. Title IV-E; or
3. Arizona Early Intervention Program (AZEIP); or
4. Local educational agencies providing services under the Individuals with Disabilities Education Act under 34 CFR Part 300; or
5. Entities and contractors of entities providing services under grants awarded as part of the HIV Health Care Services Program under 42 USC 300ff et. seq. payer.

# Third Party Liability

Under state and federal law and R9-22-1003 (E), AHCCCS must pay the full amount of the claim according to the Capped Fee-For-Service schedule and then seek reimbursement from the First- or Third-Party payer (Post-Payment Recovery) when the claim is for:

1. Preventive pediatric services, including EPSDT services and administration of vaccines under the Vaccines For Children (VFC) Program; or
2. The liability is from an absent parent whose obligation to pay support is being enforced by Division of Child Support Enforcement.

# Third Party Liability

AHCCCS has liability for payment of benefits *after* other first- and third-party payer benefits have been paid.

- Providers must determine the extent of the first- and third-party coverage and bill Medicare and all other coverage plans, including HMOs, prior to billing AHCCCS.
