Subject: PCP Rate Parity Edits A650 and A655

Please note that the PCP Rate Parity Edits A650 and A655 will remain as internal AHCCCS pends until at least the first cycle of March 2014. Additional notification will occur prior to any change of status to these edits.

Thank you!

Edit A650 – AHCCCS valuation logic indicates that PCP enhanced rates should apply to the encounter, but based upon Plan Paid Amount was not applied. (AHCCCS Pay1 code = PCP; check plan paid if not equal to or greater than AHCCCS Allowed (plus interest if applicable or minus Other Insurance Paid if applicable) or the Billed Charge whichever is less).
Edit A655 – AHCCCS valuation logic indicates that PCP enhanced rates should not apply to the encounter, but based upon Plan Paid Amount was applied. (AHCCCS Pay 1 code not equal to PCP; check plan paid if not equal AHCCCS allowed (plus interest if applicable) but equal rate applicable from RF144).
