NCPDP 5.1 and 1.1 replaced by **D.0 and 1.2**
  April 1, 2010

New Transaction – Medicaid Subrogation
  2 years after final publishing date,

Impacts/Changes to the transactions:
  System:
- Identify the changes in data elements [size, requirement, usage notes]

  Business:
- Added elements needed/wanted in adjudication
- Impact of missing elements
- Impact of changes in usage notes
- Impact of changes in transaction structures within the transaction and across transactions [i.e., if payment must be identified at the line level on the 835 – how do you do that when AHCCCS pays an overall tier at the header level?]
- Identify all the documentation that will need to be updated
