A. Overview

As of October 1, 2024, through September 30, 2025 (Contract Year Ending (CYE) 2025), AHCCCS registered Arizona hospitals (other than the facilities described in section C. below) which meet Agency established value-based performance metrics requirements in section B. below will receive a Differential Adjusted Payment described in section D. below. The Differential Adjusted Payment Schedule represents a positive adjustment to the AHCCCS Fee-For-Service reimbursement rates. These payment adjustments will occur for all dates of discharge in CYE 2025 (October 1, 2024, through September 30, 2025) only. The purpose of the Differential Adjusted Payment is to distinguish facilities which have committed to supporting designated actions that improve patients' care experience, improve members' health, and reduce cost of care growth.

B. Applicability

To qualify for the Inpatient Differential Adjusted Payment (DAP), a hospital providing inpatient hospital services must meet one of the following criteria:

1. Hospitals Subject to APR-DRG reimbursement (Up to 2.5%)

B. Payment Methodology

All payments may be increased up to a maximum of 3.0%. Payments will be increased by 1.5% if the IHS/Tribal 638 facility meets the HIE requirements, by 0.5% if it meets the AzHDR requirements, by 0.5% if it meets the SDOH requirements, and by 0.5% if it meets the Naloxone Distribution Program requirements. The proposed DAP for IHS/638 facilities would be applicable to the All- inclusive Rate (AIR). The DAP is not applicable to supplemental payments.

IHS/Tribal 638 facility which submitted an DAP SOW and received a DAP increase for CYE 2024 but failed to achieve one or more milestone in the LOI or failed to maintain its participation in the milestone activities are ineligible to receive DAP in CYE 2025.

If a provider is receiving a DAP in CYE 2025 and cannot meet a milestone and/or cannot maintain its participation in milestone activities, the provider must immediately notify AHCCCS. This notification must be made prior to the milestone deadline and must state the reason the milestone cannot be met. When applicable, DAP participants are subject to audits, at the discretion of AHCCCS. Within 30 days of AHCCCS being notified of a missed milestone, becoming aware of the provider's failure to maintain participation, and/or determining that the provider has failed a DAP audit, AHCCCS will remove the participant's eligibility for the DAP, effective immediately and for the remainder of the year.

If a hospital receives a DAP increase for the entire CYE 2025 but it is determined subsequently that it did not meet the CYE 2025 milestones or failed to maintain its participation in the milestone activities in CYE 2025, that hospital will be ineligible to receive this DAP for CYE 2026 if a DAP is available at that time.
