RE: Arizona SPA # AZ-24-0015, Outpatient Differential Adjusted Payment (DAP)

Dear Mr. Holt:

Enclosed is State Plan Amendment (SPA) # AZ-24-0015, Outpatient Differential Adjusted Payment (DAP). This SPA updates the Outpatient Differential Adjusted Payment (DAP) methodology effective October 1, 2024.

Tribal Consultation on this SPA occurred on August 5, 2024. The Tribal Consultation presentation is available on the following webpage:

<https://www.azahcccs.gov/AmericanIndians/TribalConsultation/>

Public Notice for this SPA was posted on the following webpages:

<https://www.azahcccs.gov/AHCCCS/Downloads/PublicNotices/rates/CYE25DAPFinalPublicNotice.pdf>

The **Federal Fiscal Impact** for this SPA in FFY 2025 is \$2,688,700.

Explanation of Federal Fiscal Impact:

This federal fiscal impact represents the projected federal funds cost of the SPA's DAPs for services reimbursed on a Fee-for-Service (FFS) basis. AHCCCS determined each provider and service that qualified for each DAP specified in this SPA, based on the requirements specified in the CYE 2025 Final Public Notice. The FFY 2023 utilization of these qualifying providers and qualifying services were identified. The FFY 2023 data was then repriced to remove impacts of prior year DAPs and to reprice utilization at the CYE 2025 FFS rates. The percentage increase for each DAP was then applied to the adjusted FFY 2023 utilization data for qualifying providers and services to estimate the total funds' impact. The agency then applied projected weighted federal medical assistance percentages to total fund estimates to calculate the federal fund's share of cost. The process for calculating each DAP contained within this SPA is similar, but subject to the different eligibility criteria specified in the CYE 2025 Final Public Notice. The calculation of the weighted FMAP of 71.72% used in the impact estimate is

shown in the table below.

FFY25:					
OP DAP - All Pops	Regular	Title XXI	Transition	NEA 100%	Total
MMs	19,212,315	837,090	5,497,655	1,511,509	27,058,569
% Weight	71.00%	3.09%	20.32%	5.59%	
FMAP	64.89%	75.42%	90.00%	90.00%	
Eff. FMAP	46.07%	2.33%	18.29%	5.03%	71.72%
				Total Fund	\$3,748,900
				Fed Funds	\$2,688,700

**STATE OF ARIZONA
METHODS AND STANDARDS FOR ESTABLISHING PAYMENT RATES
OTHER TYPES OF CARE**

A. Overview

The following is a description of methods and standards for determining Differential Adjusted Payments for the AHCCCS-registered provider types specified in Section B., “Applicability,” below. The purpose of the Differential Adjusted Payment is to distinguish facilities which have committed to supporting designated actions that improve patients’ care experience, improve members’ health, and reduce cost of care growth. The Differential Adjusted Payment Schedule represents a positive adjustment to the AHCCCS Fee-For-Service reimbursement rates. These payment adjustments will occur for all dates of service in Contract Year Ending (CYE) 2025 (October 1, 2024, through September 30, 2025) only. The payment adjustments do not apply to supplemental payments.

B. Applicability

To qualify for the Outpatient Differential Adjusted Payment (DAP), a facility or provider providing non-institutional services must meet one of the following criteria:

1. Physicians, Physician Assistants, and Registered Nurse Practitioners (3.81%)

Physicians, Physician Assistants, and Registered Nurse Practitioners (Provider Types 08, 18, 19, and 31) are eligible for a 3.81% DAP increase on the primary care services outlined on the FFY 2025 PCP Code List.

2. Physicians, Physician Assistants, and Registered Nurse Practitioners (Up to 1.5%)

Physicians, Physician Assistants, and Registered Nurse Practitioners (Provider Types 08, 18, 19, and 31) are eligible for DAP increases under the following criteria.

Domain	Description
a. Social Determinants of Health Closed Loop Referral Platform (1.0%)	In relation to this DAP initiative only, the Social Determinants of Health Closed Loop Referral System is CommunityCares. Providers that meet the following milestones are eligible to earn a 1.0% DAP. Cohort 1: Providers who participated in the DAP SDOH program in CYE 2023 and/or CYE 2024 i. Milestone #1: No later than April 1, 2024, the provider must have an active CommunityCares Agreement and submit a signed Differential Adjusted Payment Statement of Work (DAP SOW) to the HIE organization. The participant list attached to the DAP SOW must contain each facility, including AHCCCS ID(s) and corresponding National Provider Identifier(s) (NPI), that the provider requests to participate in the DAP. ii. Milestone #2: No later than September 30, 2024, the provider must participate in a post-live meeting with their assigned SDOH Advisor to discuss training needs, SDOH Screening and Referral workflows, implementation of the SDOH screening tool, and to define the CYE 2025 in-network screening/referral monthly goal.

**STATE OF ARIZONA
METHODS AND STANDARDS FOR ESTABLISHING PAYMENT RATES
OTHER TYPES OF CARE**

- iii. Milestone #3: From October 1, 2024, through September 30, 2025, the provider must participate in the utilization of CommunityCares by facilitating screenings/referrals. All screening/referrals entered into CommunityCares by the provider will be counted towards the utilization requirements and tracked monthly. Based on the SDOH CYE 2024 monthly screenings/referrals average, the provider’s goal for CYE 2025 is to improve the submission of the monthly screenings/referrals average by 5%, and no less than a combination of 10 screenings or referrals per month, whichever is greater. The goal will be defined and discussed in the post-live meeting with the provider’s assigned SDOH Advisor.
- iv. Milestone #4: From October 1, 2024, through September 30, 2025, the provider must meet with their SDOH Advisor quarterly to review progress on goals. If the goal is not being met, the SDOH Advisor will assist the provider in completing a written document that identifies barriers to achieving goals and outlines steps to overcome these barriers (improvement plan).

Cohort 2: Providers who have **not** participated in the DAP SDOH program in DAP CYE 2023 or 2024.

- i. Milestone #1: No later than April 1, 2024, the provider must submit a CommunityCares Access Agreement and a signed Differential Adjusted Payment Statement of Work (DAP SOW) to the HIE organization. The participant list attached to the DAP SOW must contain each facility, including AHCCCS ID(s) and corresponding National Provider Identifier(s) (NPI), that the provider requests to participate in the DAP, and the total number of patient visits per year.
- ii. Milestone #2: No later than January 1, 2025, the provider must have onboarding completed by working with the CommunityCares team to submit all requirements prior to gaining access to the system. The provider must utilize CommunityCares by facilitating in-network screenings and referrals within CommunityCares per facility location.
- iii. Milestone #3: From October 1, 2024, through September 30, 2025, the provider must meet with their SDOH Advisor quarterly to set a utilization goal and to review progress. If the goal is not being met, the SDOH Advisor will assist the provider in completing a written document that identifies barriers to achieving goals and outlines steps to overcome these barriers (improvement plan).

Due to operational issues related to contracting arrangements with entities rather than individual practitioners, AHCCCS’ MCOs may pay the DAP in a manner other than on an individual claim basis but the DAP must be paid on at least a quarterly basis and paid within 60 days from the last day of the quarter. In the event an expected quarterly payment to an entity

If a provider is receiving a DAP in CYE 2025 and cannot meet a milestone and/or cannot maintain its participation in milestone activities, the provider must immediately notify AHCCCS. This notification must be made prior to the milestone deadline and must state the reason the milestone cannot be met. - e. IHS/638 facilitates, Provider Type 02, will receive an increase on all payments for a maximum up to 3.0%. Rates will increase by 1.5% if HIE participation requirements are met, by 0.5% if AzHDR requirements are met, by 0.5% if SDOH requirements are met, and by 0.5% if Naloxone Distribution Program requirements are met. If a provider is receiving a DAP in CYE 2025 and cannot meet a milestone and/or cannot maintain its participation in milestone activities, the provider must immediately notify AHCCCS. This notification must be made prior to the milestone deadline and must state the reason the milestone cannot be met. When applicable, DAP participants are subject to audits, at the discretion of AHCCCS. Within 30 days of AHCCCS being notified of a missed milestone, becoming aware of the provider's failure to maintain participation, and/or determining that the provider has failed a DAP audit, AHCCCS will remove the participant's eligibility for the DAP, effective immediately and for the remainder of the year.

If a provider receives a DAP increase for the entire CYE 2025 but it is determined subsequently that it did not meet the CYE 2025 milestones or failed to maintain its participation in the milestone activities in CYE 2025, that provider will be ineligible to receive this DAP for CYE 2026 if a DAP is available at that time.
