RE: Arizona SPA # AZ-24-0019, Long-Term Care and Rehabilitation Rates

Dear Mr. Wong:

Enclosed is State Plan Amendment (SPA) # AZ-24-0019 Long-Term Care and Rehabilitation Rates. This SPA updates these state plan rates effective October 1, 2024.

Tribal Consultation on this SPA occurred on August 5, 2024. The Tribal Consultation presentation is available on the following webpage:

<https://www.azahcccs.gov/AmericanIndians/TribalConsultation/>

Public Notice for this SPA was posted on the following webpages:

https://www.azahcccs.gov/AHCCCS/Downloads/PublicNotices/rates/Final_Public_Notice_Rate_Changes_20241001.pdf

The **Federal Fiscal Impact** of this SPA has been calculated as:

- FFY 2025: \$5,000
- FFY 2026: \$4,900

Explanation of Federal Fiscal Impact:

The state has projected the federal fiscal impact for FFY 2025 and FFY 2026 using the actual expenditure data from FFY 2023 and incorporating rate changes that occurred in FFY 2024. Using the estimated FFY 2024 expenditures, the state applied the rate changes for FFY 2025 to estimate the fiscal impact for FFY 2025. The FMAP used in FFY 2025 is 66.00%. The FFY 2026 estimate was assumed to be the same as FFY 2025; however, the FMAP for FFY 2026 was 64.44%.

If there are any questions about the enclosed SPA, please contact Maxwell Seifer at
Maxwell.Seifer@azahcccs.gov or 602-417-4722.

Sincerely,

Kyle Sawyer
Assistant Director, Public Policy and Strategic Planning
Arizona Health Care Cost Containment System (AHCCCS)

22. REMARKS

STATE OF ARIZONA
METHODS AND STANDARDS FOR ESTABLISHING PAYMENT RATES
INPATIENT HOSPITAL CARE

JX. PAYMENT TO LONG-TERM ACUTE CARE HOSPITALS

Effective October 1, 2015, long-term acute care hospitals are paid a per diem rate which will be an intensive care unit (ICU) rate, a surgery rate, or a routine rate. -A hospital is eligible to receive an ICU rate or a surgery rate if the hospital is licensed by the Arizona Department of Health Services to provide ICU or surgical services.

The ICU rate applies to inpatient days associated on the claim with revenue codes in the ranges 200-204, 207-212, and 219. -The surgery rate applies to inpatient days associated on the claim with revenue codes 360-369 in combination with valid procedure codes that are not on the AHCCCS excluded surgery procedures list. -The routine rate applies to all other inpatient days.

An outlier is a hospital claim on which the covered charges exceed the outlier threshold, which will be an ICU threshold, a surgery threshold, or a routine threshold. The outlier thresholds for long-term acute care hospitals are the thresholds that were in effect for those hospitals on September 30, 2014. Outliers shall be reimbursed by multiplying covered charges by the outlier cost-to-charge ratio. The outlier ratios will be the Final Statewide Average Total Cost-to-Charge Ratios for LTCHs in the data file published by CMS as part of the Medicare Long-Term Care Hospital Prospective Payment System for the prior fiscal year. -The urban cost-to-charge ratio applies to hospitals located in Maricopa County or Pima County, and to out-of-state hospitals. -The rural cost-to-charge ratio applies to all other hospitals.

AHCCCS rates were set as of October 1, 2024~~3~~, and are effective for dates of admission on and after that date. AHCCCS rates and outlier thresholds for payments to long-term acute care hospitals are published on the agency's website at: <https://azahcccs.gov/PlansProviders/RatesAndBilling/FFS/LTACrehab.html>

X. PAYMENT TO REHABILITATION HOSPITALS

Effective October 1, 2015, rehabilitation hospitals are paid a statewide per diem rate.

An outlier is a hospital claim on which the covered charges exceed the outlier threshold. -The outlier threshold for rehabilitation hospitals is the threshold that was in effect for those hospitals on September 30, 2014. -Outliers shall be reimbursed by multiplying covered charges by the outlier cost-to-charge ratio. The outlier cost-to-charge ratios will be the Final Statewide Average Total Cost-to-Charge Ratios for LTCHs in the data file published by CMS as part of the Medicare Long-Term Care Hospital Prospective Payment System for the prior fiscal year. -The urban cost-to-charge ratio applies to hospitals located in Maricopa County or Pima County, and to out-of-state hospitals. -The rural cost-to-charge ratio applies to all other hospitals.

AHCCCS rates were set as of October 1, 2024~~3~~, and are effective for dates of admission on and after that date. AHCCCS rates and outlier thresholds for payments to rehabilitation hospitals are published on the agency's website at <https://azahcccs.gov/PlansProviders/RatesAndBilling/FFS/LTACrehab.html>
