

## NOTICE TO OFFERORS

Date: December 8, 2023

Subject: **Extension of Protest Deadline for ALTCS EPD RFP #YH24-0001**

From: Meggan LaPorte, AHCCCS Chief Procurement Officer

AHCCCS announces and hereby notifies each Offeror who submitted a proposal response for the ALTCS EPD RFP #YH24-0001 that AHCCCS is extending the deadline for filing of protests of the AHCCCS award decision to December 21, 2023. All other requirements for protests remain the same.

AHCCCS further advises all Offerors that AHCCCS contends it has fully complied with the requirements of Arizona law in providing the required elements of the agency procurement file for public review with online access available to all Offerors since the day of award notification. Offerors, including potential protestors, are advised that AHCCCS is not extending the protest filing deadline due to any belief that the Offerors have not been provided adequate or required access to review the records relevant to any protest decision, and that AHCCCS is not aware of any basis for further extending the protect deadline. Offerors should expect that they will be required to strictly comply with the new deadline set forth above for filing any protests.
