EFFECTIVE DATES: 10/01/18, 05/07/19, 10/01/19, 10/01/22, 10/01/24

APPROVAL DATES: 02/21/19, 09/17/20, 06/16/22, 05/29/24

I. PURPOSE

This Policy applies to ACC and ACC-RBHA Contractors. This Policy establishes requirements for Contractors regarding the Fixed Administrative Cost Component Reconciliation. Due to uncertainty regarding Actual Member Months versus Assumed Member Months that were used to calculate the fixed portion of the administrative cost Per Member Per Month (PMPM) in the capitation rates, AHCCCS will reconcile actual member months to assumed member months.

II. DEFINITIONS

Refer to the [AHCCCS Contract and Policy Dictionary](#) for common terms found in this Policy including:

CONTRACTOR	MEMBER	
------------	--------	--

For purposes of this Policy, the following terms are defined as:

ACTUAL MEMBER MONTHS Prospective and prior period coverage member months paid to the Contractor for the contract year excluding, members with Serious Mentally Illness (SMI), crisis member months, and births associated with delivery supplements as noted on Attachment A.

ASSUMED MEMBER MONTHS Prospective and prior period coverage member months estimated for the contract year as part of capitation rate development. This excludes SMI and Crisis members.

FIXED ADMINISTRATIVE COST COMPONENT Per Member Per Month (PMPM) for the portion of the Administrative Cost component of the capitation rate relating to the Contractor’s fixed costs, subject to Medical Loss Ratio (MLR) requirements. This PMPM is the same for all risk groups that receive an administrative cost component by Contractor.

FIXED ADMINISTRATIVE COST COMPONENT RECONCILIATION RISK GROUPS (RISK GROUPS) Populations included in this fixed administrative cost component reconciliation are all ACC and ACC-RBHA risk groups except for Serious Mental Illness (SMI), crisis and delivery supplement.

PREMIUM TAX The tax imposed pursuant to ARS 36-2905 and ARS 36-2944.01 for all payments made to Contractors for the contract year.

III. POLICY

A. GENERAL

1. The reconciliation shall relate solely to the member months and fixed administrative cost capitation rate component. The amount due from or due to the Contractor as a result of this reconciliation will be based on whether the Contractor's actual member months are different than assumed member months.
2. Any Actual Member Months that exceed Assumed Member Months will be multiplied by the Contractor's fixed administrative cost PMPM used in the rate development and will be recouped from the Contractor.
3. Any Assumed Member Months that exceed Actual Member Months will be multiplied by the Contractor's fixed administrative cost PMPM used in the rate development and will be paid to the Contractor.

B. AHCCCS RESPONSIBILITIES

1. No less than six months after the Contract Year to be reconciled, AHCCCS shall perform the reconciliation. The reconciliation will be calculated as follows:

Administrative member months reconciliation = (Assumed member months – Actual member months) * Fixed administrative cost PMPM used in capitation rate development.

Assumed member months > Actual member months = payment to Contractor.

Assumed member months < Actual member months = recoupment from Contractor.

Attachment A provides an example of the fixed administrative cost component reconciliation calculation.

2. AHCCCS will utilize paid member months to determine the actual member months subject to reconciliation.
3. AHCCCS will utilize member months assumed in the capitation rates for the assumed member months subject to reconciliation.
4. AHCCCS will provide the Contractor with the fixed administrative cost component reconciliation and provide a set time period for review and comment by the Contractor. Upon completion of the review period, AHCCCS will evaluate Contractor comments and make any adjustments to the reconciliation as warranted.

5. Any amount due to or due from the Contractor as a result of the fixed administrative cost component reconciliation will be paid or recouped through a future monthly capitation payment.
6. If the administrative component of the capitation rate was capped in order to ensure compliance with minimum Medical Loss Ratio (MLR) requirements when the capitation rate was originally developed, the MLR limit and fixed administrative component shall be recomputed using actual member months for purposes of this reconciliation.
