Dear Senator Kavanagh and Representative Livingston:

Laws 2023, Chapter 133, Section 10 includes the following requirements:

On or before July 1 in 2024, 2025 and 2026, the Arizona Health Care Cost Containment System administration shall submit a report to the joint legislative budget committee regarding the use of the monies from the on-call obstetrics and gynecological services line item, including the number of deliveries and emergency procedures provided by the on-call health care providers for which the monies were spent.

Below please find the Community Health Center (CHC) on-call obstetrics and gynecological statistics for calendar year 2023.

- Four Community Health Centers submitted documentation for unreimbursed costs associated with on-call obstetrics and gynecological services. These four centers are listed below:
 - Canyonlands Community Health Centers
 - Mariposa Community Health Center
 - Little Colorado Health Clinic
 - Regional Center for Border Health (San Luis)
- The four community health centers received a total of \$2,450,000 from the first year of the program.
- The participating community health centers reported 936 deliveries performed during on-call hours.
- In addition to the deliveries, 2,415 non-delivery visits were performed by on-call obstetrics and gynecological.

Please feel free to contact Jeff Tegen, Assistant Director, Division of Business and Finance, at (602) 417-4705 or via email at Jeffery.Tegen@azahcccs.gov if you have any questions.
